Remarks

The Office Action objected to the use of the trademark "American Type Culture Collection" without generic terminology as well as the absence of a sequence identifier for the four residue sequence G-S-H-M. Applicants respectfully assert that the foregoing amendments to the specification addresses these formal objections and respectfully request a notice of allowance.

The Examiner is requested to contact the undersigned attorney if any additional questions or concerns arise.

Respectfully submitted,

SCHERING-PLOUGH CORPORATION
Patent Department, K-6-1, 1990
